February 23rd, 1915

William Davies, Esq.,

The William Davies Company,

Toronto.

Dear Mr. Davies:

Dr. Defries has handed me a cheque for one hundred dollars, which you were good enough to send as a contribution to the laboratory of Hygiene in the University in order to promote the manufacture of antitetanus serum. We however have strong hopes that the Government at Ottawa will make a grant for this purpose, and if it does so I shall return the cheque which you have been good enough to send to us. With many thanks, I am,

Yours sincerely,

President.

Dr. Defries,

Medical Building,

University of Toronto.

Dear Dr. Defries:

The Dominion Government has sent us a cheque for $5000.00 for the production of tetanus antitoxin. I am therefore returning to you the cheque for $100.00 which Mr. Davies so generously gave through you. Will you kindly thank him and explain how it is that we are returning his cheque?

Yours sincerely,

President.
